

## Indian Institution of Engineers (IIE) Questionnaire

### **Q. What is AMIIE or DIPIIE-TMIIE-DMIIE?**

Ans. AMIIE is Associate Membership of Indian Institution of Engineers examination that is conducted by Indian Institutions of Engineers. AMIIE is a professional engineering degree certification provided by IIE or DIPIIE-TMIIE-DMIIE is a engineering diploma certification provided by IIE. It is an alternative option for those who cannot pursue for an engineering degree or diploma course as a regular student in an engineering college

### **Q. Is an AMIIE degree or DIPIIE-TMIIE-DMIIE diploma equivalent to Engineering Degree or Diploma?**

Ans. An AMIIE degree or DIPIIE-TMIIE-DMIIE is equivalent to any other engineering degree or diploma approved by Central Government Departments, UPSC, and SSC, AICTE or any other engineering degree approved by state governments. After having done with AMIIE degree or DIPIIE-TMIIE-DMIIE diploma, the candidate can also opt for higher studies such as bachelor's degree after diploma or master's degree in engineering after AMIIE. The candidates are also then eligible to work with any private or government organization as per their respective field of specialization.

### **Q. What is IIE?**

Ans. IIE is a multi- disciplinary engineering organization that provides a platform to promote professional studies in approximately 50 disciplines of engineering. The IIE is in Delhi.

### **Q. What is the advantage of AMIIE or DIPIIE-TMIIE-DMIIE over a regular Engineering Course?**

Ans. A person who is working can study this course without being affecting their job. The person may be employed in India or Abroad but one may pursue the engineering degree and improve their position and future prospects by passing examinations.

### **Q. What are the age criteria for a candidate to be elected as a Member?**

Ans. The candidate should be 17 years of age on the date of application

### **Q. Where is the IIE Examination conducted?**

Ans. Examination is conducted in 119 centers in India and abroad. A candidate may appear at any of the centers according to his preference by mentioning the exam centre code of the desired centre in the examination form.

### **Q. Who is eligible to take IIE exam?**

Ans. The IIE exam may only be taken by the members of the Indian Institution of Engineers according to their eligibility and qualifications. To appear for AIEEE, the candidate should be the member of IIE which is known as Associate Member or Technician/Diploma membership, depending upon stream respectively. To obtain IIE membership, the candidate may apply online on [www.iieinstitution.com](http://www.iieinstitution.com)

### **Q. What is the duration of each IIE exam?**

Ans. The duration is 3 hrs for an IIE exam

### **Q. Is an degree holder eligible for the entrance exams required for admission into further post-graduation programs and civil services?**

Ans. An AMIIE degree holder is eligible for taking examinations like GRE, GATE, Civil Services, and Indian Engineering services

### **Q. When is the IIE examination held during the year?**

Ans. The IIE examination is held mostly twice a year. It is conducted mostly in June and December and is termed as Summer and Winter Examination respectively.

**Q. What is the syllabus of AMIIE or DIPIIE-TMIIE-DMIIE?**

Ans. The syllabus for AMIIE is almost similar to that of B.E. or B.Tech. The syllabus has two parts, called Section A and Section B. First, Section A should be cleared and then Section B. Similarly DIPIIE-TMIIE-DMIIE is almost equivalent to Diploma Engineering. The syllabus has two parts, called Part 1 and Part 2. Part 1 should be cleared and then Part 2

**Q. What are Section A and Section B of AMIIE syllabus and Part 1 and Part 2 of DIPIIE-TMIIE-DMIIE?**

Ans. Section A or Part 1 consists of fundamentals of Engineering where as in Section B or Part 2 the candidate has to select one of the branches of Engineering available. Project Work and Lab Experiments are included in Section B or Part 2 to pass on practical knowledge to the students

**Q. Where is the exam application form submitted?**

Ans. The Exam application form is submitted in the prescribed format to the headquarters of the Institution. Post Box – 10901, Bhikaji Cama Place, R.K. Puram, New Delhi-66 [www.iieinstitution.com](http://www.iieinstitution.com)

**Q. What is the duration of completion of AMIIE or DIPIIE-TMIIE-DMIIE?**

Ans. IIE provides flexibility of duration for completion of Academic Membership. A candidate may take up to 6 years for the completion of all the subjects in Section A or Part 1 another 6 years for the completion of Section B or Part 2.

**Q. How many subjects are there in each semester of AMIIE or DIPIIE-TMIIE-DMIIE?**

Ans. They have 6 subjects for each semester i.e. one can appear for a maximum of 6 subjects in one semester.

**Q. Is AMIIE or DIPIIE-TMIIE-DMIIE a computer based exam**

Ans. AMIE or DIPIIE-TMIIE-DMIIE is a written type where there is no Viva, no internal assessment and no Practical exam

**Q. What is the AMIIE or DIPIIE-TMIIE-DMIIE exam pattern?**

Ans. Each AMIE exam paper is of three hours of duration. The exact dates and the details of the examination are declared by IIE website [www.iieinstitution.com](http://www.iieinstitution.com).

**Q. Who is the responsible authority for IIE exam?**

Ans. Indian Institution of Engineers, conducts exam and issues certificates. The IIE Institution is not involved in the preparation for the exams

**Q. Are the application forms for Academic Membership available online?**

Ans. The application forms for Academic Membership are available online on <https://iieinstitution.com/>

**Q. What is the examination fee for Academic Membership? What is the mode of payment?**

Ans. The examination fee is approximately 2500/-.The payment may be done with DD, drawn in favour of “INDIAN INSTITUTION OF ENGINEERS“, payable at Delhi. The fees for the examination overseas are \$ 150 approximately.

**Q. What is the official website for IIE?**

Ans. The official website of Indian Institution of Engineers is [www.iieinstitution.com](http://www.iieinstitution.com).

**Q. Is it possible to take Academic Membership exam in Hindi?**

Ans. The candidate can take Academic Membership exam in Hindi medium, provided the candidate has passed in Hindi medium. Then both the sections, have to be taken in Hindi. IIE mentions that the candidate has passed in Hindi in the final certificate

**Q. What is the procedure to apply for Project Work?**

Ans. The candidate may apply for project work after passing Section B or Part 2. IIE then sends all the related documents for conducting lab experiments and project
