**Subject:** Request from Professional Bodies to send their detailed replies and readiness for accreditation - regarding.

Kindly refer to my email dated 9<sup>th</sup> November 2018, wherein MHRD had asked to ascertain the readiness of your professional societies/institutions to submit to the process of Accreditation by NBA, the sole accreditation body in India for technical education programs. The matter has taken on an urgent nature especially in light of action by Kuwait government against engineers from AICTE- approved engineering colleges facing keen difficulties in retaining their jobs because of lack of accreditation by NBA. MHRD wishes to avoid future engineers and graduates of all Technical Institutes to avoid facing this situation and is taking up accreditation drives through various schemes.

2. In view of above, it is important that we receive replies to our email mentioned above, so that this department can assess readiness and comparison to standards of NBA. You were also requested to send the details of your faculty and all other facilities at the earliest.

Yours sincerely,

 10/12
